Dear Catherine:

RE: Ontario Health West Support of the Pre-Capital Submission for the Huron Health System Master Plan and Master Program Redevelopment

Ontario Health West has completed its review of the Stage 1.1 Pre Capital submission Part A from Huron Health System (Alexandra Marine General Hospital and South Huron Hospital Association) for the Redevelopment of their Master Plan and Master Program. Ontario Health West endorses this project.

This endorsement of the Huron Health Systems Master Plan and Master Program is based on the understanding this project will help Huron Health System improve patient safety and care and provide opportunity for collaborative and coordinated solutions to existing challenges across the healthcare system.

If you have any questions regarding this endorsement please contact Jolene Sankey, Performance Analyst, Performance, Accountability and Funding Allocation at Jolene.Sankey@ontariohealth.ca. We look forward to continuing to work with the Ministry of Health and Huron Health System on the next
